Drawing & Painting Competition with the Living Rainforest Terms & Conditions

The Living Rainforest Centre is run by the [Trust for Sustainable Living](#).

In normal times we welcome around 100,000 visitors each year, including 25,000 children on school trips. Visitors can experience the sights, sounds and smells of a lush tropical rainforest environment – and explore how plants, animals, human needs, economies and cultures are all linked. The centre is home to over 850 species of plants and animals, including rare and endangered species of global conservation value. We are currently closed due to Covid-19 and, with a huge drop in income, have launched an emergency appeal to raise funds to care for our plants and animals.
